2. Barriers to future attainment (for pupils eligible for PP)

In-school barriers *(issues to be addressed in school, such as poor oral language skills)*

A.	Improve progress of pupil premium children in maths
B.	Home Learning Environment – especially vocabulary development
C.	Improve progress of pupil premium children in reading particularly boys
D.	Social and Emotional Development of children so they are ready to learn

External barriers *(issues which also require action outside school, such as low attendance rates)*

Low aspirations. Children need to realise they are capable of more

3. Desired outcomes *(Desired outcomes and how they will be measured)*

Success criteria

A	Gap is closed for pupil premium in maths at the end of year 6 and in year progress is in line or above that of other non pupil premium children Attendance stays above national	Tracking Sytem and Attendance for these children 5pts to catch up And at least 4pts if in line already
B	Focus on reading/spelling in the SIP and use of Lexia intervention plus CPD with Isabella Wallace will ensure that we are raising the profile and implementing startegies that have impact	Tracking Sytem and Attendance for these children 5pts to catch up And at least 4pts if in line already
