

# Please Help Us

Chaucer Infant School

As the weather is beginning to improve Reception are enjoying venturing outside more into our lovely outdoor area.

The children are so thoughtful and caring and they want to look after our outdoor area, however, it needs a little TLC. The children have been collecting up litter and tidying the areas, doing a great job.

We are wanting to develop our areas further in particular our mud kitchen, gravel and gardening areas. If you have any of the items below that you no longer need or know of someone who can donate them could you please send them into school for our Reception to use.

## Mud kitchen:

Metal or wooden  
utensils

Baking trays

Pots and pans

Plastic jugs

## Gravel:

Brush and  
dustpans

guttering

plastic piping

Buckets

Mini hard hats/ hi-  
vis jackets

toy diggers

Large white stones

## Gardening:

Gardening tools

Gardening gloves

Litter pickers

Compost

Plant pots

Plants/seeds

Herbs/ Ferns
