Parents/Teacher consultation appointments are available to book online via the Arbor App, the administration system used in school. If you have any problems accessing the system, please contact the school office.

If this date is not suitable for you, then please contact your child's class teacher via Seesaw or the school office to arrange another date.

Please be aware any class that has shared teachers, parent/carers will be seen by either teacher on the evening.

We really value the partnership between parents/carers and school. We look forward to seeing you.
