Dear Parent/Carers,

We've had another alert regarding another suit of books with compromised links at the back, taking children to inappropriate sites. We have been made aware that several titles in the '**According to Humphrey**' series contain a weblink at the back of the book that no longer directs people to information about the books. Instead, the link has been compromised and now leads to inappropriate and unsafe material that should not be accessed by children at any age. Agencies have been advised including the Professional Online Safety Helpline who supported in previous occurrences.

We have removed copies of the book from our library and classroom book corners.

Below are images of some of the front covers in the series to help you identify the books should you have any at home. We advise you remove them immediately. Should any be the property of school, please return them and we will dispose of them accordingly.

Yours Sincerely,

Miss T. Smith - Headteacher
