Headteacher: Miss T. Smith

Dear families,

We are thrilled to be able to share with you the final report from our recent Ofsted inspection, which was carried out on the 1st and 2nd of April this year.

The inspection was ungraded and therefore there is no headline outcome but, as you will see, the content of the report provides a valuable summary of what we offer at Chaucer Junior School and we are proud to share it with our school community.

We are particularly pleased to share the following highlights:

- Pupils describe Chaucer Junior School as fun and friendly.
- One child said, echoing the views of others, "We all have a voice here".
- Expectations of pupils' behaviour and achievement are high. Pupils rise to them.
- The school's work on values and mental health helps pupils develop confidence, empathy and character.

Please use the following link to read the report:

Whilst we will celebrate all the successes from the report, we also look forward to addressing any constructive feedback as part of our continuous school improvement. We welcome any comments from families regarding this.

Once again, thank you for your consistent support, particularly to those of you who completed the Parent View questionnaire, the results of which were also very complimentary and can be viewed below:
