Dear families,

I am writing to you regarding an incident which occurred yesterday afternoon.

At the end of the school day, we were made aware by some parents that there was an injured man on a nearby road. Staff attended the scene and waited until the police arrived.

We were not made aware of any alleged incidents which occurred before this point.

Had we been given any indication that there was a risk to children or families, then we would have informed parents. However, this was not the case.

Families are reminded that there are rigorous safeguarding processes and procedures in place at school and children are taught to keep themselves safe through our Personal Development and PSHE curriculum - further details about this can be found in children's organisers.

We have been in touch with the police this morning who have reassured us that, even though they can't share any details, families and children have no reason to be worried. Anybody who has further information should contact the police directly.

If you have any questions or concerns, please do not hesitate to contact us with any questions or queries.

Kind regards,

Miss T Smith
