October 2024

Dear Parent/Carer,

Thank you to all the parents who took the time to complete our parent questionnaire at the end of the summer term. Your feedback is incredibly valuable, and we've carefully reviewed the results to help us continue supporting all of our schools across the trust.

For those who requested a conversation with their school, if you haven't been contacted yet, your school will be in touch this term. Schools will also share (if they haven't already) the key findings of the questionnaire with parents, celebrating successes, and outlining how they will use this feedback to further improve relationships with parents.

Key Insights from the Survey:

- The majority of parents feel that our schools are happy, safe, and nurturing environments where children are well cared for.
- We would love to hear from even more parents. While the response rate was above the normal response rate, we aim to engage with as many parents as possible.
- There is a growing recognition of the benefits of being part of the Embark Federation, with more parents appreciating the unique opportunities this brings to their children.

How We Will Use the Feedback:

- We will work closely with our schools celebrating all their good work and ensuring they continue to engage positively with parents and explore how relationships can be further strengthened.
- We will use your feedback to continually develop our trust's offer, enriching the learning experience for all children.
- We will build on our shared commitment to inclusion - we are determined to make sure that every child in the Embark Family thrives and has a love for learning and life.

Earlier this year, all schools in our trust worked together to launch our collective commitment to inclusion. This remains a priority, and we will continue to embed and strengthen this across the trust this year and beyond.

Thank you again for your ongoing support. We look forward to working together to ensure the very best for our children and families.

Kind Regards

Anna Upton

Deputy Trust Leader
