

Dear Parents/Carers,

Thank you to those who attended our open evening on Thursday 19th September. We were overwhelmed with the positive feedback received and it was a pleasure to see so many families attend.

I also stated that we would be conducting school tours to enable parents to see the school in action and to prove that we walk the talk.

The dates for these tours are Thursday 10th October and Friday 11th October. Both events will start at 09.00 and will take approximately one hour.

Parents will have the opportunity to tour the school site, speak to students and see a number of lessons in action.

If interested, please contact us using the following email address; principals-pa@oiea.co.uk

Please state the date of your preferred tour, your name and the number of adults expected to attend.

We look forward to seeing many of you again in addition to those who may not have been able to make open evening - all are welcome.

See you soon!

Mr S Leach
