**WHAT DID
OFSTED SAY?**

One student spoke for many when they said,
"This school has really improved, it's a great
community in which to learn and feel safe."

The curriculum in most subjects
is ambitious for all students.

Students show pride in their work and in
their school. They value their school.
They value their teachers.

Students' behaviour is good.
Lessons are calm and purposeful.
Routines are well-understood.

Teachers' expectations of students are high.

Students receive incredibly caring
pastoral support.

Teaching in the sixth form is
expert.

Clubs, trips, and activities run daily. Students
said that the different experiences 'test you'
and make you realise just how far you can go'.
