Headteacher: Miss T. Smith

Dear families,

We have been asked by Mrs Wheatley and the local council, if Sharks and Dolphins would like to take part in a litter pick on the **morning of Tuesday 19th March 2024**, leaving school at approx. 10.30am and returning at approx. 12.00pm. (Each class will pick litter for approx. 50mins) The event has been organised for Keep Britain Tidy Campaign. We will be doing our bit for the environment; improving the appearance of the local area; and serving our community.

Local residents have already been out litter picking with groups from other local schools who collected many bags of rubbish each so there's certainly a job to be done. All the relevant risk assessments are in place, and we will be more than adequately covered with the ratio of adults to children, including Chaucer staff. The children will be fully briefed before setting off from school. School will provide 'high vis' jackets for the children to wear and 'litter pickers', so that they don't touch anything. If your child has wellies, it might be worth bringing these to school to wear and a pair of gloves too.

If you have any questions, please contact school directly.

Yours Sincerely

Team Chaucer
