### Chaucer Junior School Photograph Competition

This year National Science Week is March 10<sup>th</sup> – March 19<sup>th</sup>. To run along side this week we are running our first ever photograph competition at Chaucer Junior School. We are calling all budding photographers to enter this exciting competition. The competition is open to all children who attend our school.

### *The theme is Science Around Us.*

- If something of interest catches your eye and you think it fits the title, take a photo! It could be something from nature, people, animals or places..... let your imagination take you on adventure... your photo just needs to reflect Science Around Us.
- Please remember if photographing people, ensure that you have obtained their permission first.
- A maximum of 2 entries per person
- All entries will be displayed.
- The closing date for this competition is Thursday 16<sup>th</sup> March 2023
- You can use a camera, tablet or phone.
- The photographs can be colour or black and white.
- Photographs can be uploaded to Seesaw or can be brought into school.
- Include your name, class, the date you took the photo and an explanation of what you have photographed or how these shows Science Around Us.

Any questions please see Miss Mee
