Dear families,

We recently sent out an email with new parental permissions for your child.

We wanted to clarify the following:

'Consent 9- I give consent for a professional photographer to take photographs that may be released for sale. The photographer would have possession of the photos on their equipment, not school equipment.'

This permission is for your child to be photographed in class photos that may be released for sale to other members of their class i.e class photos.

If you do not give your consent to this permission, then your child will not be included in any photographs from a professional photographer during their time at our school.

If you have any questions, please do not hesitate to get in touch.

Yours Sincerely,

Team Chaucer
