Headteacher: Miss T Smith

Dear Parent/Carer,

As you are likely aware, there is due to be a heatwave on Monday and temperature warnings have been issued for extreme heat.

With the Year 6 Performance in mind and knowing how hard the pupils have worked over the past weeks, we have taken into consideration the pros and cons of going ahead as planned and we have introduced some measures to mitigate the risks of such high temperatures.

These measures include:

- Number of people in the hall – chairs will be spread out as much as possible and tickets have now been closed. This will allow children in the chorus more space.
- Hydration – children will be able to have drinks bottles with them in the hall and we will also consider introducing a short interval to allow children to fill up bottles, rehydrate and get some fresh air. This measure would also enable you to do the same.
- Ventilation – All windows and doors will be fully open to ensure maximum ventilation.

We look forward to showcasing the children's hard work on Monday; it is a show not to be missed! We will do everything we can to ensure that the play runs smoothly and everyone's well-being remains a top priority.

Consequently, if we feel that the temperatures become too high and it is deemed unsafe for the show to go on, we may, regretfully, need to cancel with short notice.

We thank you for your understanding.

Kind regards,

Miss Smith, Miss Stallard and Miss Porter
