Headteacher: Miss T. Smith

Dear families,

At Chaucer Junior school, we are committed to ensuring an effective and productive environment for all pupils. With this in mind, we will be mixing classes across all year groups for September. Having discussed the matter at length and considering the positive impact previously, we feel that regular, routine mixing of classes will help with relationships, allow everyone to have a fresh start and encourage children to develop better resilience in a safe and comfortable environment. We feel that by mixing the year group, the children will have the opportunity to broaden their friendships and see themselves as a year group team rather than just a class, building a stronger school community and pride in our school.

Over the next few weeks, teachers will be meeting to finalise the class lists for next year. A substantial amount of work and consideration goes into this so that it provides the maximum benefit for the children and we will ensure that a whole range of factors are considered as part of this process – most importantly, the views of the children themselves. As a result of this, we will not be able to make any alterations to the lists after they have been finalised. The new classes and staffing structure will be shared during the next half term.

Please do not hesitate to contact school with any questions or concerns.

Yours sincerely,

Miss Tiffany Smith
