Dear Parents & Carers,

As some of you may already be aware, Relationships Sex Education (RSE), along with Health Education, will soon become a statutory part of the National Curriculum. This change was due to begin as of September 2020 but due to the COVID-19 pandemic, schools have been given longer to bring this into their curriculums.

Schools are required to consult with parents when developing and reviewing their policies for Relationships and Sex Education (RSE), which will inform schools' decisions on when and how certain content is covered.

We would like to invite you to an information meeting on Tuesday 14TH June @ 2pm. to find out more about what your child will learn, view the materials and resources being used in lessons and discover how you can best support your child to discuss these topics at home.
