### **Covid Update**

Dear Families,

We hope you are all safe and well. We wanted to inform you that we have received notification that we have a few positive cases of Covid within school. We wanted to reassure you that we are following all guidance and protocols in accordance with our risk assessments. We understand that some of you may be concerned hearing this news. However, we felt it was our duty to tell you because some of you have vulnerable family members and may want to be more conscious when spending time with them.

We encourage you to continue to take lateral flow tests. These can be obtained free of charge. <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>. We also ask that you do not send your child to school if they have symptoms.

If you are concerned, then please contact school and we will assist and advice you.

Team Chaucer.
