WHY WE'VE GONE CASHLESS?

Keeping everyone safe since the arrival of COVID-19 has meant cashless shopping is now accepted across most companies however we've been gearing up for a switch to cashless ever since we first launched our website back in 2015. The steady increase in online sales since 2016 has made it very clear how our customers prefer to shop. Our 2018-19 photography season saw over 85% of all orders being placed online or over the phone. Visit www.jssp.co.uk to learn more.
