Chaucer Junior School Interim Report

Dear Families,

We all know that it has been a strange year but we hope you agree that we have always tried to adapt to changing guidance and put the needs of our families at the forefront of any decisions we have made. You might have noticed that we did not hold our usual spring parents' evening last term. As an alternative, we have produced an individual interim report for each pupil.

You should be receiving the report on Friday 23rd April

This aims to provide parents and carers with information on their child's progress and attitudes so far this year. Upon their return to school from the most recent lockdown, children completed some standardised assessments and we have analysed each test to provide children with current targets for Maths and English. We hope that you find this report valuable and insightful. We are committed to help children achieve these targets in the coming weeks through ongoing quality teaching in class, some weekly intervention programmes and the purchasing of new resources. If you wish to contact your child's class teacher about their report, then please do not hesitate to do so.

Furthermore, this report is not a replacement for your child's annual report which will be shared with families towards the end of the summer term.

Thanks again for your support and we hope to see you all very soon.

Jane Mee and Anna Upton
