**UPDATE and return to school plans.**

Dear Parents and Families,

We would like to wish all our families a happy New Year and we hope that you have managed to have a rest and enjoy some family time during this unique Christmas period. We have been in communication with a number of our families over COVID 19 related issues during the holiday, resulting in a number of staff and pupils having to isolate in year 5. The was not the message we wanted to share but one we had to do in accordance with PHE (Public Health England.) We are pleased to say that individuals are safe and well and most have reached the end of their isolation period now.

We will be continuing to follow our risk assessments and act upon any new guidance from DfE ( Department for Education ) If you have any questions or need to inform school of any new COVID 19 issues then please use the email below.

As we write this letter the plan is that school will reopen on **Monday 4<sup>th</sup> January 2021** and we are looking forward to seeing lots of smiling faces that are ready for another exciting and busy term at Chaucer. Obviously we will be in touch after any government announcements if this needs to change.

Finally, can we say once again thanks for your cooperation and support throughout this memorable year.
