

# Opportunity for yr 3 parents

## What is multiply ?

Join us at Chaucer Junior School to learn the tips and tricks to support your child with maths. The sessions will improve your confidence with numbers ,and support you to develop your child's number skills.

When you have completed the 3 week course you will receive a £20 love2shop voucher !!!!!!!

## Who is the course is for ?

The course is for you !! If you are a parent/carer of a primary aged child and don't have level 2 qualification in maths this course would be perfect !

You do not need any maths skills to attend.

## What will I need ?

You don't need to bring anything to the course , everything will be provided for you

## Are there any costs ?

The course is free and there are no other costs.

The course is for a maximum of 10 parents , if there are more than 10 we will put you on our waiting list

This course will repeated during next academic year for year 3 and other year groups.

## What happens at the end of the course ?

If you complete the 3 weeks you will receive a certificate and a £20 love2shop.

If you would like a place on the course or more information contact the school office or Mrs Starling/Mrs Farrall
