Dear Parent/Carer,

### Transition from Infant to Junior School - Wednesday 18<sup>th</sup> June 2025

Thank you for choosing our school for the next stage of your child's education.

We realise that for some families our school may not have been their first choice. If this is the case, we would welcome you to contact us for a telephone conversation, arrange a meeting or visit the school so that we can answer any questions or queries.

To support both you and especially your child to make a successful transition from infant to Chaucer Junior School we have arranged the following as part of our induction process.

#### Parents Evening

Parents along with their Y2 child are invited to a Open Evening on Wednesday 18<sup>th</sup> June, at 5.30pm at Chaucer Junior School. At this meeting you will be given information about the school and what we offer to children and parents. You will have the opportunity to find out about arrangements for the Induction Day and September and ask any questions you wish. You can also visit your child's classroom and meet with their class teacher.

If you are unable to attend the parents evening on 18<sup>th</sup> June, please contact the school office who may be able to arrange an appointment to show you around the school on a different date.

#### Induction Day

The children are invited to attend Chaucer Junior School for their Induction Day on Wednesday 9<sup>th</sup> of July. Parents/Carers should bring their child to school for 8.50am. On arrival parents and children will be directed onto the **playground**. They will be met by their new teacher and escorted into school where they will spend the rest of the day with their new class.

If your child has sandwiches for lunch, then please bring them on the day. Otherwise, the children will have a school lunch.

The Induction Day will finish at 3.20pm. Parents/Carers should collect children from the school **playground** at this time. The children will be supervised on collection to ensure they are safely transferred to their Parent or Carer.

If your child is unable to attend the induction day, please contact the school Office so that alternative arrangements can be made.
