SCHOOL	12.8%
NATIONAL	16.2%

We continue to support any pupils with wellbeing and pastoral support. We have made good use of our TAs and Family Support workers who support families and pupils. These areas include: attendance, health, housing and family wellbeing. We continue to support pupils' wellbeing by encouraging participation in clubs, grabbing opportunities offered and extra curricular activities. Families have been offered workshops and engaged with regular events and questionnaires. Relationships with parents continues to be positive.

WIDER CURRICULUM

% PP attending at least 1 club

Year3	Year 3	Year 5	Year6
75%	67%	87%	85%

Pupil who did not attend have been identified and prioritised for the forthcoming year. Also, some of the pupils had been offered places but they declined after 1 to 1 conversation. Reasons given were personal choice and other commitments beyond school

- 21 PP pupils attended the Year 6 White Hall Residential. this residential.
- Through our wider offer to pupils, e.g extra School contributed to the cost of curricular clubs and competitions opportunities for outdoor learning, staff and parents report pupils' self -confidence has risen and their behaviour for learning is much improved.
