

Chaucer Chat Newsletter - Issue 28

Monday 9th June 2025

Dear families,

Once again, the end of the year is in sight! It's always a proud moment to see our Year 3s finish their first year with us and wish our wonderful Year 6s good luck on their onward journeys to secondary school - this is the first cohort of children I've seen all the way through school as headteacher and I can't believe the incredible young people they've grown into.

We have so much to look forward to in our final half term of the year and we can't wait to share it with you.

Have a lovely last few weeks of the school year and, as always, thank you for being such a big part of what we do!

Miss Smith

We are so proud to share that we are the UK's **Golden Flower Bulb** winning school, standing out for our "creativity, teamwork & joy!"

WELCOME

Safeguarding Resources

As the end of the year draws closer, there are big changes ahead - Year 6 are soon to be embarking upon a significant change as they transition to secondary school and the remaining year groups will soon be discovering which class and teacher they will have next year. With that in mind, please see the following tips shared by registered mental health charity, Young Minds:

[Young Minds: Top Ten Transition Tips for Parents](#)

Inevitably, during significant periods of change like this, friendships are tested. To support your child through securing and maintaining healthy friendships, The Children's Society have produced the following guide:
