

Chaucer Junior School Online Safety Contract

This is how we stay safe when we use computers:

I will ask a teacher or suitable adult if I want to use the computers / tablets

I understand that my use of school systems will be monitored

I will only use activities that a teacher or suitable adult has told or allowed me to use

I will take care of the equipment

I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong

I will tell a teacher or suitable adult if I see something that upsets me on the screen

I know that if I break the rules I might not be allowed to use a computer / tablet

I will follow the **SMART** Safety rules at home and in school

Five **SMART** tips:

<http://www.kidsmart.org.uk>

- **S**afe - Staying safe involves being careful and not giving out your name, address, mobile phone no., school name or password to people online...
- **M**eeting someone you meet in cyberspace can be dangerous. Only do so with your parents'/carers' permission and then when they are present...
- **A**ccepting e-mails or opening files from people you don't really know or trust can get you into trouble - they may contain viruses or nasty messages...
Remember someone online may be lying and not be who they say they are. If you feel uncomfortable when chatting or messaging end the conversation...
- **T**ell your parent or carer if someone or something makes you feel uncomfortable or worried...
